Guys & Dolls Calendar Unveiling

After months of planning and over 1,500 volunteer hours, the Guys & Dolls keepsake calendar was unveiled on July 28th at the Mississauga Convention Centre.

"This calendar is designed to reflect the diversity that is our community, regardless of age, ethnicity or social standing, I believe that we are all beautiful and magnificent in our own special ways. It is time to recognize that we are all connected in this universe and that the only true measure of success is by the lives we positively touch along the way" says Dianne Morgan, Chair.

The calendar features our very own Madam Mayor Hazel McCallion, Gerry Townsend, and others. Proceeds from this beautiful keepsake will benefit the Pediatric Oncology Department at the Credit Valley Hospital.
